Application to become a member of the Sussex Pony Grazing and Conservation Trust (SPGCT)

Dear supporter,

It is likely that you have considered yourself to be a member of SPGCT for several years. However, there have been several Secretaries during the Trust's existence and we need to ensure we have an up-to-date list of members.

As a member, you can vote at the Annual General Meeting. Also, the Memorandum of Association, Article 7, states that if the Trust is wound up, members undertake to provide towards any outstanding debts "…such amount as may be required, not exceeding £1."

In order to help us ensure that we meet our legal requirements to have a record of all members, please fill out the form below by 31 January and return it either as an email attachment or by post. The Trust complies with the Data Protection Act. By filling out the form, you are consenting to the Trust holding your contact details on the Trust's database. These details are only used for Trust purposes, including sharing email addresses and phone numbers with volunteer Lookers.
